

Annie Jr Costume Suggestions

***Please note that these are suggestions. If you have another idea for a costume we are open to that! All cast members will receive an Annie T-shirt. Since most of our actors play multiple characters, you will see below that some characters could wear their Annie T-shirt as part of their costume to help with simplicity and keeping cost down. We also will be sending out emails to families of like characters (orphans, servants, etc.) so you can coordinate as we would like costumes to be similar if possible. Costumes can be made, ordered, etc. Goodwill and other thrift stores can be helpful for finding certain items. Facebook marketplace could also be another way to find items.*

Shoes- *We are not picky on shoes but ask that it go with the costume and be something that is easy to move/dance in. We prefer something that isn't clunky/super loud if possible. Jazz or theatre shoes are a great option and those can also be found at used clothing stores especially for kids sizes or Facebook marketplace.*
