

Shooting Starz Productions ~ Annie Jr.

Annie Jr. is a 60 minute musical. All registered actors receive a role that has individual speaking and/or singing parts with lots of stage time! There are no ensemble roles in our productions. Registration fee is \$225 per actor. The registration fee covers rehearsal & performance space, licensing of Annie Jr., script, T-shirt, props, sets and more. Actors provide their own costumes.

Below are tentative rehearsal and performance dates for each of the casts being offered. **Actors can have one conflict with a full cast rehearsal. All other full cast rehearsals, auditions, tech rehearsals and performances are mandatory. Conflicts or potential conflicts need to be shared with Steph, prior to Audition Day. We do not have understudies and expect that families of actors stay committed to the musical when other events come up later (birthday parties, holiday events, etc). For families who go out of town or plan vacations, please look at your calendar carefully before signing up your child for the show.**
