Sound and light volunteers- ****We are especially in need of sound and light help****

No experience is needed, however, we recommend that volunteers can pay attention to detail. Our sound cues are more fast paced than our lighting cues.

Due to the commitment of our tech rehearsal and all 3 shows, we are offering 2 free tickets for each cast family that can help with this. Please email Steph for more information shootingstarzprod@gmail.com You will also have first access to purchasing tickets (see below)

Volunteers & Tickets- We have many volunteer slots that need to be filled. Please see your email for a signup link or check the Alice in Wonderland tab on our website ssptheatre.org We would be delighted if each family could fill 1-2 spots. **Families who sign up to fulfill a volunteer position, will have first access to purchasing tickets. We are performing at a new venue, Plymouth Playhouse, where all seats will be assigned. Tickets will be available to families who volunteer on Saturday March 7th at 6:30 PM.** Steph will send out an email with instructions and a passcode on March 6th.

****There are not many specific handicapped seats available, however, there are plenty of seats that require minimal stairs. All tickets are \$13 each plus a processing fee. Young children and babies who do not need their own seat, will not need a ticket.**

Initial ticket limit will be 9 tickets per cast member for each of their performances. For families who are unable to volunteer, tickets will be available to purchase on March 10th at 6:30 PM and passcodes will be removed. Ticket link can be found below.
